

Courses for Kokkedal Open is close to standard layout, with some few adjustments, to challenge the players even more, when visiting our beautiful courses.

**Fredtoften, Kokkedal**

In general, the little stream is OB - AND beyond on hole 6 & 9 - NOT beyond on hole 7, 8 & 11.

- Hole 2 – OB over the fence on your right.
- Hole 7 – played from white tee in ALL divisions!
- Hole 8 – played from yellow tee in ALL divisions!
- Hole 11 – OB if you cross the OB markings on your left (primarily for hole 13)

- Hole 12 – OB on the road and beyond on your right. OB on your left (OB marking will be set up).
  1. Mandatory left on one of the first trees, so DO NOT take the route right along the road from tee!
  2. Drop zone – yellow tee
- Hole 13 – surrounded by OB and even the pond marked on the course map is OB
- Hole 15 – OB along left fairway and behind the fence (behind the basket)
- Hole 16 – OB along left fairway
